HP 32; **Resistances** Poison 3

Feign Death (Mental) After The Ravager is defeated, Victor appears dead. Unless a creature succeeds at a DC 20 Medicine or Perception check, Victor is believed to have died. When a creature willingly moves adjacent to him, Victor immediately rolls Initiative and may act before that creature for this turn

Speed 25 feet

Melee ♦ scalpel +9 (Agile, Finesse), **Damage** 1d4+4 slashing plus 1 persistent bleed

Ranged 20 Feet ♦ acid bomb +10 (Bomb, Splash 1), **Damage** 2d6 acid plus 1 splash

Melee ♦ mutagenic syringe +8 (Injection), **Damage** 1d6 piercing plus 1d6 poison

Alchemical Bandolier ♦ (Alchemical) Victor draws and throws one of his prepared concoctions.

Choose one: Acid Bomb (2d6 acid plus 1 splash), Frost Vial (2d4 cold and -10-foot status penalty to Speeds until the end of the target's next turn), or Bottled Lightning (2d4 electricity and the target is Off-Guard until the start of Victor's next turn).

Whispers from Beyond ♦ (Mental, Auditory) Victor suddenly freezes, staring into empty space before repeating words spoken only to him. One creature within 30 feet must succeed at a DC 18 Will save or become Frightened 1. On a critical failure, the creature is also Off-Guard until the start of Victor's next turn.

Cornered Animal ♦ (Emotion); **Trigger:** Victor is reduced to 15 HP or fewer. Victor gains a +10-foot status bonus to his Speed and a +1 circumstance bonus to attack rolls until the end of his next turn.

Victor survived the transformation, but not with his sanity. Every thought is fractured by whispers only he can hear, leaving behind a brilliant alchemist driven entirely by fear and paranoia.
